

Make an image of a christmas tree, clipart style, few colors.
It must be symmetrical, have 6 layes of leaves and the
trunk. No background.Bealtiful and proportional.

Editor

A colorful, symmetrical Christmas tree clipart with six foliage layers, ornaments, garlands, star, and trunk.

You could try:

- ↪ Simplify colors and remove the glowing effects.

- ↳ Convert it into clean flat vector art.
- ↳ Prepare it as a transparent PNG game asset.

Make is a clean vestor art, without the decoration. Make the trunk wider and use lessa colors.

Editor

A clean six-layer Christmas tree vector with minimal green tones and a wider trunk.

You could try:

- ↳ Remove all gradients and glow effects.
- ↳ Create an even flatter SVG-style silhouette.
- ↳ Export it as a transparent PNG game asset.

Create an even flatter SVG-style silhouette of the
Christmas tree vector

Editor

A very flat, symmetrical six-layer Christmas tree silhouette with minimal colors and a broad trunk.

You could try:

- ↳ Remove the remaining lighting and glow completely.
- ↳ Convert this directly into clean SVG paths.
- ↳ Use it as a minimalist game icon.
